UMASS AMHERST ECE 1+1 LIVE

The ECE MS 1+1 is a two-year program that begins in your home country and ends in the U.S.

Spend the first two semesters taking live courses delivered directly to your device, then travel to the U.S. to complete your second year on our campus in Amherst, Massachusetts.

Students will learn new approaches to electrical and computer engineering from professors and researchers who are at the forefront of technological innovation in the United States and around the world. Studies will span two continents, giving students a collaborative and unparalleled cross-cultural learning experience.
