PATHWAY  
PROGRAMS

With GEB

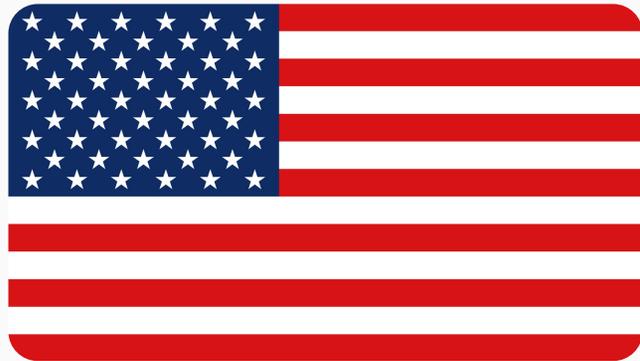

USA | CANADA

GETTING EDUCATED IS NOT EASY, MANY STUDENTS EXPERIENCE DIFFICULTIES. DO NOT GIVE UP AND BELIEVE IN YOURSELF.

## WHAT IS A PATHWAY PROGRAM?

Pathway programs are preparatory courses. They are designed to help international students build relevant graduate skills, knowledge, and add-on qualifications that they will need to enter a bachelor's or master's degree program at a university. These programs generally last one or two semesters, and they do not end with a degree. They are a stepping stone in the process that leads you to your desired university or degree program. [Click Here](#) to Learn more.

## DESTINATION

Richard Bland College is a public junior college associated with the College of William and Mary and located in Prince George County, Virginia. The Richard Bland College of William & Mary [Global Student Success Program](#) is designed to ensure you gain the necessary skills to excel in your associate degree program and

prepare for transfer to a top college or university in Virginia, such as William & Mary, University of Virginia or Virginia Tech.

For a full list of transfer partners and to learn more about transfer admission, please [Click Here](#).

## THE GSSP ADVANTAGE

The Undergraduate GSSP is equivalent to the first two years of a bachelor's degree program. The GSSP consists of for-credit coursework and provides an academic and cultural bridge from your high school experience to studying at a university in the United States.

Upon successful completion of the associate degree through the RBC Global Student Success Program, you will have earned your associate degree and will be eligible to transfer to William & Mary or one of 40 universities and colleges in Virginia. What's more, the entire Pathway Experience is conducted on-campus. Two years of Pathway studies on-campus progressing to the remainder of the two of your undergraduate degree.

## BENEFITS

- Earn your Associate of Arts or Associate of Science degree
- Live and learn alongside students on a safe and welcoming campus
- Small class sizes mean you get more personal attention from your professors
